

**MARRIED WHILE CRAZY.**—The Vermont Supreme Court is engaged in considering what degree of mental capacity is required to make the marriage contract. A case has been tried, in which a man seeks a divorce, on the ground of partial insanity. An old bachelor, just at his elbow, who, although making the strongest attestations of hatred for the sex, nevertheless, whenever he can get the chance, is a most accomplished and amiable gallant, says that if the plea of "partial insanity" would be allowed in the Courts, it would separate nine tenths of the whole wedlock fraternity. We can account for this opinion of his by setting up the same plea in his own case. All bachelors are partially insane!

**A PHILOSOPHER.**—A man ran off with another man's wife the other day, and stole four of his shirts at the same time. The bereaved husband says if the runaway wife will agree to live with his wife, he shall be welcome to the shirts.

In a town in Connecticut there is a family of fourteen daughters, all of whom have been married in regular order, according to age.

The marching distance from Missouri to the Oregon shore on the Pacific, through an inhospitable country, is not less than 2000 miles.

The population of the United States doubles once in 234 years.

The population of Pittsburg, Pa., is now nearly 50,000.

**COPPER—GREAT DISCOVERY.**—A mine of copper has been discovered near Fort Wilkins, Copper Harbor, Lake Superior, which is supposed to be richer than any other in the United States. At the surface, it is about twenty inches wide, spreading out as it deepens, and is supposed to be at least three miles in length. Specimens of the ore have been raised, which warrant the belief that the mine averages seventy-five per cent. pure copper. Particles of silver and gold have been found intermixed with the copper; and it is calculated that the mine will easily yield \$3,000,000 annually. Our information is from such a source that we cannot doubt its correctness.—Green Bay Republican.

**SQUIRMING.**—The protectionists have discovered that the general reduction of duties in England is "to protect her manufactures." We go for protecting ours in the same way.—New York Morning News.

**GEORGE SKINNER, SADDLE & HARNESS MAKER,** Kalida, Putnam county, Ohio. Orders promptly executed. Saddles, &c., constantly on hand.

**THE NATIONAL PILOT.** DAILY, WEEKLY, AND TRI-WEEKLY. MANCHESTER & BRAYMAN, Proprietors, R. W. HARKINS, Editor, J. C. BUNNER, Commercial Department.

**THIS Paper is new and peculiar.** It is the only paper in the United States upon the plan it is conducted.

All others take their European intelligence from the English Press, thus leaving us ignorant of all Continental affairs except what it suits the English interest to detail.

In Politics the Pilot, looking above and beyond the present party distinctions, aims at nationality; and its motto is—"For our country, at all times; to approve her when right; and to right her when wrong."

The Pilot's party is the citizens of this Republic against any and all its enemies.

Locally, the Pilot will especially consult the interests, commercial and otherwise, of Buffalo, and the great and growing Valley of the Lakes, with which the former is inseparably connected.

The Pilot is supplied with regular daily files of the Paris papers of every political party, and will therefore furnish not only original sources, and by thus giving both sides, enable its readers to judge more correctly than they possibly can by reading only one.

The Commercial Department of the Pilot is in fully competent hands, as all will admit, and the market intelligence will be second to no other sheet; either in accuracy or its early promulgation.

**TERMS.**  
Daily Paper, per year \$4 00  
do do per month 0 40  
do do per week 0 10  
Tri-week-per-yr., \$3 00  
Weekly, do do, 1 00

The DAILY PILOT, is delivered to subscribers every week-day morning. Subscribers who pay weekly, pay at the end of each week. Those who pay monthly or yearly pay in advance. Single copies can be obtained for two cents a copy, either at the Office, or of the news boys.

To Editors.—Publishers of weekly papers who remit \$2, in advance, shall be entitled to an exchange for one year with the Daily Pilot.

Any paper printed West of Buffalo, by copying the above four times, with this note, will be entitled to an exchange for one year with the Daily Pilot, on sending a copy of the paper, containing the advertisement, marked, to this office. Or the publishers may draw on our columns for two dollars in advertising.

### NEW PROSPECTUS OF THE OHIO STATESMAN.

[An appeal to the one hundred and fifty thousand Democrats of Ohio, and to the just feelings of men of all parties.]

Last night—in the darkness and gloom that surrounded the halls of legislation—the foul deed was consummated, and the solemn contract with the State for the Legislative printing was violated, out of pure political spite! No other reason was assigned than that we had, by the publication of our paper, annoyed the poor party and the ACCL-

districts. This accidental power, in violation of all right, justice, or precedent, was wielded expressly to cripple and break down the only press at the Capital that dare be independent, and warn the people of the chains forging in the Legislature for their oppression and slavery. We dared assail and expose the iniquitous projects of the whig majority in their schemes to debase and bow down the white laboring man of the State, while they were attempting to gain a little additional popularity by pretending to elevate the negro and encourage his settlement amongst us.

We dared expose their midnight tin-pinning, which they pretended to denounce when before the people, and when entrusted with power, follow—not in the nomination of officers alone, as the democrats did—but by carrying their whole wicked acts of legislation into their nightly cabal, and they legislated in secret! We dared expose their repeal of laws passed for the protection of the people restricting corporations, &c.—laws some of which have been in force for twenty and twenty-five years, and thus turning loose upon society every possible crime and iniquity. But we shall not particularize their acts and doings in this hastily thrown together prospectus, prepared at the moment of leaving home in consequence of the news of the sickness of one of our family now east of the mountains. We shall go into detail hereafter, and bring to the light of day the conduct of this thing called whiggery in Ohio. I shall teach this party that reservation cannot either stop or depress the spirit of an independent press, as long as the unbought freedom of the State demand its services. Their acts alone cannot compel me to bow before the nefarious despotism of the dregs of coonery, hard cider, and the established immoralities of Mr. Clay and the dictators of his party. They cannot accomplish their purposes, if the democrats of Ohio, to whom I am indebted for so many favors, stand by me in this crisis. I have stopped at no expense or labor, to fulfil my part of the contract as State Printer. I accepted the office in good faith. I relied on the guaranties of law and the constitution, and the common honesty that has heretofore protected all my predecessors of whatever party. But a brazen crew of maddened whigs—federalists of the deepest dye, conscious of their own bad standing—have outstripped every thing that revolution has heretofore conceived.

The STATESMAN will be continued as heretofore—giving a steady support to the great principles of Democratic Liberty and Equal Rights—and to the administration of the General Government by Mr. Polk. It will expose and lay bare to the public gaze, the iniquities and outrages of federal whiggery, and particularly the infamous and unparalleled proceedings of the present Legislature.

The Daily and Tri-Weekly Statesman will be printed on a double medium sheet, and the Semi-Weekly and Weekly on a large double imperial sheet.

**TERMS.**  
The STATESMAN is published daily during the session of the Legislature, and tri-weekly the balance of the year, at \$3 00

Tri-weekly the year round, at 4 00  
Semi-weekly during the session of the Legislature, and weekly during the balance of the year, at 3 00

Weekly the year round, invariably in advance, at 2 00

Persons desiring the paper for six months, can have it for ONE DOLLAR, always to be paid in advance.

Five DOLLARS in one letter, in advance, will pay for two copies of the Statesman published Semi-weekly during the session and Weekly the balance of the year, directed to the names ordered.

All payments to be made in advance. Those who have not an opportunity of paying otherwise, may remit by mail, at our risk, postage paid. The Postmaster's certificate of such remittance shall be a sufficient receipt therefor.

Those who subscribe by the year will please so designate.

Any person who will procure six subscribers and inform us of the direction of his paper, shall have a copy sent him for his trouble.

Persons receiving a prospectus, who cannot make use of it themselves, will please hand it to another. S. MEDARY, Columbus, March 11, 1845.

**CAUTION TO ALL!**  
Let all the world take notice, and be careful not to buy the (SUGAR COATED) IMPROVED INDIAN VEGETABLE PILLS, unless EVERY BOX has on it the written signature of the original inventor and patentee, G. BENJAMIN SMITH M. D.

These pleasant Pills possess powers to open all the natural drains of the system—viz: the LUNGS, KIDNEYS, SKIN and BOWELS—hitherto unknown in the practice of medicine; and so complete has been their triumph over all other medicines, that many have been led to suppose they contain some powerful mineral; but upon examination by Drs. CHILTON, RANDOLPH, HUNTER, and others, this supposition is at once proved groundless.

Sold in New York at 179 GREENWICH STREET, also by RUSSELL & Co., 10 ASTOR HOUSE. Pamphlets to be had of agents gratis. N. B. Persons will also notice on the top label an engraved Indian figure, crossed with fine red print.

The genuine may also be bought with safety at Dr. Guion's, corner of Bowery and Grand street, and Mrs. Hays, 199 Fulton street, Brooklyn, and at respectable stores throughout the United States. 3c210

### PLEASE TO READ THIS. GREAT NATIONAL MAGAZINE. INFORMATION FOR THE PEOPLE. PROSPECTUS FOR 1845.

The January Number is now Ready. Periodical Agents and other will please to send in their orders, (post paid.)

The Best and Cheapest Family Periodical in the United States—Edited and Published by Robert Sears, No. 114 Fulton Street, New York City.

Sears' New Pictorial Family Magazine, second Volume, (New Series) for the year 1845, established for the Diffusion of useful knowledge, Embellished with several Hundred Fine Engravings—In monthly parts, of 50 octavo pages. Terms, \$2 a year, payable on the delivery of the January and February numbers, or 18 cents per number. Ten copies sent to one address for one year for Fifteen Dollars. No subscriptions received for a less period than one year.

In offering such a miscellany as the above periodical to the public, we wish to make it clearly understood what is the object proposed to be accomplished by its publication, and what will be invariably the character of its contents; and by no species of disguise, or form of deception, attempt to make an impression or gain a favor, without possessing, a legitimate claim to their enjoyment. "Sears' Family Magazine" is a periodical whose object is to collect, condense, and systematize the great mass of standard general knowledge, contained in works so numerous and voluminous as to be altogether beyond the reach of mankind in general; and thus collected and prepared, to place it, by its cheapness and also its comprehensiveness, within the acquisition of all.

As a sort of pabulum for schools, and a treasury of knowledge for families, the leading object of the Family Magazine is utility. It is intended that its morals shall be pure, its information authentic, and its arrangements in good taste. And while it is the sincere desire of all who are engaged in its publication, that it may carry the cheerfulness of knowledge and the light of truth wherever it is received, they indulge the hope that the countenance of the community will look favorably upon them, and that its arm of support will be liberally extended in their behalf. ROBERT SEARS, Editor and Publisher, No. 114, Fulton street, New York.

No letter will be taken from the office, unless post paid.
